2. Procurement & IT

- a. We have applied for the Emergency Connectivity Fund in order to procure 300 new chromebooks which will be enough for us to replace all of our expired chromebooks and give us enough to replace those that become damaged over the course of the coming school year. Our application is now under review by the Universal Service Administrative Company.

3. Testing

- a. 1st & 2nd Graders will take the iStation Indicators of Progress (ISIP) in place of the NWEA MAPs assessment that our other grade levels take for their short cycle assessment. The state covers the cost, and it can be run from our existing chromebooks. We will follow the same testing schedule for all grade levels.
