

## Principal's Report

### **1. Procurement & IT**

- a. We have submitted our application for the Emergency Connectivity Fund's second window, asking for document cameras, wireless headsets, an outdoor projector, and cameras for our busses.
- b. We are still awaiting an answer to our ECF first window application, wherein we applied for additional chromebooks.
- c. We are still looking into an app we can push out to our students' chromebooks for anonymous reporting of suspicious behavior, bullying, abuse, etc. A chromeapp called Anonymous Alerts is one such system we are looking into. (Update on Wednesday)

### **2. Testing**

- a. All dyslexia screeners have been completed.
- b. All ACCESS for ELL student makeup assessments have been completed.

### **3. Events**

- a. Data Day: October 26th will be an in-service day for staff, no school for students. Staff will review testing data from our Fall assessment to identify target learning areas and adjust schedules as needed. Staff will also participate in training for Active Shooter Lockdown, led by Lora Sedore.

### **4. Staffing**

- a. We have hired a new Middle School Special Education teacher, who will be working primarily with the 6th grade. He begins on November 1st.
- b. We have openings for 1-2 EAs, and are looking for potential candidates.

### **5. Equity Council**

- a. (Update on Thursday)
