

## LEA Plan for Safe Return to In-Person Instruction and Continuity of Services

Section 2001(i)(1) of the ARP Act requires each local educational agency (LEA) that receives ARP ESSER funds to develop and make publicly available on the LEA's website, no later than 30 days after receiving ARP ESSER funds, a plan for Safe Return to In-Person Instruction and Continuity of Services. In New Mexico, districts and state-chartered charter schools are LEAs.

This is a federal requirement and is not the same as the past state requirement for LEAs to submit Reentry Plans.

Pursuant to ARP requirements, LEAs must post on their website a fully compliant Plan for Safe Return to In-person Instruction and Continuity of Services by **December 24, 2021**.

This is the template we are providing for you to complete the ARP ESSER Plan for Safe Return to In-Person Instruction and Continuity of Services. The template incorporates the federally-required components of this plan.

This template incorporates the federally-required components of the LEA Plan for Safe Return to In-Person Instruction and Continuity of Services.

PED hopes this template will allow LEAs to efficiently and effectively plan and to easily post their LEA Plan for Safe Return to In-Person Instruction and Continuity of Services on their websites as required by the ARP Act.

The LEA must <b>regularly, but no less frequently than every six months</b> (taking into consideration the timing of significant changes to CDC guidance on reopening schools), <b>review and, as appropriate, revise its Plan for Safe Return to In-person Instruction and Continuity of Services through September 30, 2023</b>	
Date of Revision	

District ID	County	LEA NAME
580	Bernalillo	21 <sup>st</sup> Century Public Academy

How the LEA will <b>maintain the health and safety of students, educators, and other staff</b> and the <b>extent to which</b> it has <b>adopted policies, and a description of any such policies</b> , on each of the following <b>safety recommendations established by the Centers for Disease Control and Prevention (CDC)</b> <a href="https://www.cdc.gov/coronavirus/2019-ncov/community/schools-childcare/k-12-guidance.html">https://www.cdc.gov/coronavirus/2019-ncov/community/schools-childcare/k-12-guidance.html</a>		
CDC Safety Recommendations	Has the LEA Adopted a Policy? (Y/N)	Describe LEA Policy:
Universal and correct wearing of masks	Y	All students must wear masks while in the building.

Modifying facilities to allow for physical distancing (e.g., use of cohorts/podding)	Y	Different grade levels enter and exit through different doors, staggered release times, separate lunches, signage throughout building.
Handwashing and respiratory etiquette	Y	All students use hand sanitizer as they enter each class room daily and again when they switch classrooms/cafeteria.
Cleaning and maintaining healthy facilities, including improving ventilation	Y	Independent HEPA filters in every classroom, HVAC units at MERV 13 levels.
Contact tracing in combination with isolation and quarantine, in collaboration with the State, local, territorial, or Tribal health departments	Y	Established all requirements. COVID point of contact conducts contract tracing as required and reports submitted on time.
Diagnostic and screening testing	Y	Participate in the Test to Stay program
Efforts to provide vaccinations to school communities	Y	Yes have provided one shot clinic with another tentative in early January.
Appropriate accommodations for children with disabilities with respect to health and safety policies	Y	All appropriate staff have accommodations and extra measures are taken to ensure health and safety policies
Coordination with State and local health officials	Y	Reports submitted on time, regular communication with Charter School Nursing Services and involved entities.

How the LEA will ensure continuity of services, including but not limited to services to address students' academic needs and students' and staff social, emotional, mental health, and other needs, which may include student health and food services	
<b>How the LEA will Ensure Continuity of Services?</b>	
Weekly Admin meetings and monthly reports to the Governance Council. Alternates for critical positions identified and trained, CEO trained and insuring communication is delivered in a timely manner to families, staff and the Governance Council	
<b>How will the LEA address Students':</b>	
Academic Needs?	Online instruction is available a needed for COVID related absences, all students have assigned chromebook to take back and forth from home daily, parent portal for daily access

Social, Emotional and Mental Health Needs?	Employed additional staff for individual student support, trained staff in social emotional needs, updated Site Safety Plan to include additional training and support, purchase of software (Ripple Effects) for classroom use to support SEL
Other Needs (which may include student health and food services)?	Regular communication with families to provide food and emotional support.
<b>How will the LEA address Staff:</b>	
Social, Emotional and Mental Health Needs?	On site Social Worker and Attendance Coach as well as increased awareness of IEP with required social work. Extended ELTP programs
Other Needs?	

<b>Public Input</b>	
Describe the process used to seek public input, and how that input was taken into account in the revision of the plan.	Regular meetings with PTA, School Advisory Council, Equity Council, Governance Council and staff.
<b>Understandable and Uniform Format</b>	
Describe the process by which the LEA will, to the extent practicable, present the plan written in a language that parents can understand. Or, if it is not practicable to provide written translations to a parent with limited English proficiency, describe the process for orally translating the plan for such parents.	Our website has a translator for a variety of languages that can translate the documents
Describe the process by which a parent who is an individual with a disability as defined by the ADA, will be provided a version of the plan in an alternative format accessible to that parent.	We can make available a variety of programs such as text to speech to accommodate any disability as well as face to face meetings with appropriate translators or support providers

## U.S. Department of Education Interim Final Rule (IFR)

### **LEA Plan for Safe Return to In-Person Instruction and Continuity of Services**

**An LEA must describe in its plan under section 2001(i)(1) of the ARP Act for the safe return to in-person instruction and continuity of services –**

1. How it will maintain the health and safety of students, educators, and other staff and the extent to which it has adopted policies, and a description of any such policies, on each of the following safety recommendations established by the CDC:
  - (A) Universal and correct wearing of masks.
  - (B) Modifying facilities to allow for physical distancing (e.g., use of cohorts/podding).
  - (C) Handwashing and respiratory etiquette.
  - (D) Cleaning and maintaining healthy facilities, including improving ventilation.
  - (E) Contact tracing in combination with isolation and quarantine, in collaboration with the State, local, territorial, or Tribal health departments.
  - (F) Diagnostic and screening testing.
  - (G) Efforts to provide vaccinations to school communities.
  - (H) Appropriate accommodations for children with disabilities with respect to health and safety policies.
  - (I) Coordination with State and local health officials.
2. How it will ensure continuity of services, including but not limited to services to address students' academic needs and students' and staff social, emotional, mental health, and other needs, which may include student health and food services.
3. During the period of the ARP ESSER award established in section 2001(a) of the ARP Act, an LEA must
  - a. regularly, but no less frequently than every six months (taking into consideration the timing of significant changes to CDC guidance on reopening schools), review and, as appropriate, revise its plan for the safe return to in-person instruction and continuity of services.
  - b. In determining whether revisions are necessary, and in making any revisions, the LEA must seek public input and take such input into account.
  - c. If at the time the LEA revises its plan the CDC has updated its guidance on reopening schools, the revised plan must address the extent to which the LEA has adopted policies, and describe any such policies, for each of the updated safety recommendations.
4. If an LEA developed a plan prior to enactment of the ARP Act that meets the statutory requirements of section 2001(i)(1) and (2) of the ARP Act but does not address all the requirements in paragraph (a), the LEA must, pursuant to paragraph (b), revise and post its plan no later than six months after receiving its ARP ESSER funds to meet the requirements in paragraph (a).
5. An LEA's plan under section 2001(i)(1) of the ARP Act for the safe return to in-person instruction and continuity of services must be—
  - a. In an understandable and uniform format;

- b. To the extent practicable, written in a language that parents can understand or, if it is not practicable to provide written translations to a parent with limited English proficiency, be orally translated for such parent; and
- c. Upon request by a parent who is an individual with a disability as defined by the ADA, provided in an alternative format accessible to that parent.
