

Principal's Report

**1. Procurement & IT**

- a. Our chromebooks will be placed on a new update schedule released by Google for schools, meaning they will no longer update automatically every time Google releases a new version, but instead will only update twice a year at expected dates. The reason for this is to prevent compatibility issues with new versions of Chrome and testing applications.
- b. We have procured dash cameras for our busses, which automatically record both in front and the interior of the vehicles for student safety.

**2. Testing**

- a. NAEP test was completed on 3/8/22.
- b. 1st-2nd Grade ISIP Update

#### 4. Committees

##### a. Equity Council

- i. The Ripple Effects program was discussed as a tool to use with students who use racist language, to help educate them on diversity and the power of their words.
- ii. We discussed the Anti-Racism training that all staff are receiving, described in the next section..

#### 5. Staff Training

- a. Staff have begun completing the Meeting the Moment Anti-Racism training provided by PED. The training explains how racism is a public health problem that affects students' health and safety. It also provides examples of different forms of racism that may appear in a school setting, and how a teacher or other staff member can appropriately respond.
