The more goodwill that is promoted, the more the parents and community will respect and appreciate the employees, the school, and the programs offered to students. Each employee is expected to cooperate with the administrators of 21st Century Public Academy and fellow employees. These notices summarize the rights of employees to equal opportunity in employment and list the names and addresses of the various government agencies that may be contacted in the event that any person believes he or she has been discriminated against. Management is primarily responsible for seeing that equal employment opportunity policies are implemented, but all members of the staff share the responsibility for assuring that by their personal actions the policies are effective and apply uniformly to everyone.

Standards of Conduct

Whenever people gather to achieve goals, some rules of conduct are necessary in order to work together efficiently, effectively, and congenially. By accepting employment with 21st Century Public Academy, employees have a responsibility to the school and fellow employees to adhere to these rules of behavior and conduct. The purpose of these rules is not to restrict employee rights, but rather to ensure that all employees understand the expectations placed upon them. Employees must, in all instances, maintain their conduct at the highest standards. Employees must not engage in activities that violate Federal, State, or local laws or that, in any way, diminish the integrity, efficiency, or discipline of the school.

Confidentiality

Confidential school information about students, other employees or any school business may not be shared with non-school employees and may only be shared with other school employees on a need-to-know basis and in accordance with the Federal Right to Privacy Act (FERPA) laws. 21st Century Public Academy will provide employee information to outside agencies only upon written authorization of the employee or as provided by law. All requests for employment verification must be submitted in writing. Any telephone calls requesting information pertaining to students, employees of school information must be referred to the Principal. Any violation of privacy laws governed by FERPA laws may be grounds for disciplinary action up to and including termination.

Harassment Policy

21st Century Public Academy intends to provide a work environment that is pleasant, professional, and free from intimidation, hostility or inappropriate behavior that might interfere with work performance. Harassment of any sort--verbal, physical, or visual -- based upon race, color, religion, gender, age, sexual orientation, national origin, or ancestry, mental or physical disability, medical condition, veteran status, or any other protected status defined by law, will not be tolerated.

What Is Harassment?

Workplace harassment can take many forms. It may be, but is not limited to, words, signs, offensive jokes, cartoons, pictures, posters, email jokes or statements, pranks, intimidation, physical assaults or contact, or violence. Harassment is not necessarily sexual in nature. It may also take the form of other vocal activity including derogatory statements not directed to the targeted individual but taking place within their hearing. Other prohibited conduct includes written material such as notes, photographs, cartoons, articles of a harassing or offensive nature, and retaliatory action against an employee for discussing or making a harassment complaint.

Responsibility

All 21st Century Public Academy employees have a responsibility for keeping the work environment free of harassment. Any employee who becomes aware of an incident of harassment, whether by witnessing the

incident or being told of it, must report it to the principal or Equal Opportunity Services Office (EOS). When the principal becomes aware of the existence of harassment, he/she is obligated by law to take prompt and appropriate action, whether or not the victim wants the principal to do so.

Reporting Harassment

If there is no threat of violence, the school encourages employees to communicate directly with the alleged harasser and make it clear that the harasser's behavior is unacceptable, offensive, or inappropriate, although they are not required to do so. It is essential, however, that the principal be notified immediately, even if it is not clear that the offending behavior is considered harassment. Any incidents of harassment must be immediately reported to the principal. Appropriate investigation and disciplinary action will be taken. All reports will be promptly investigated with due regard for the privacy of everyone involved. However, complete confidentiality cannot be guaranteed. Any employee found to have harassed a fellow employee or subordinate will be subject to severe disciplinary action up to and including termination. 21st Century Public Academy will also take any additional action necessary to appropriately remedy the situation. Retaliation of any sort will not be permitted. No adverse employment action will be taken for any employee making a good faith report of alleged harassment. 21st Century Public Academy accepts no liability for harassment of one employee by another employee. The individual who makes unwelcome advances, threatens, or in any way harasses another employee is personally liable for such actions and their consequences. 21st Century Public Academy may or may not provide legal, financial or any other assistance to an individual accused of harassment if a legal complaint is filed.

Policy Statement on Sexual Harassment

Sexual harassment may include unwelcome sexual advances, requests for sexual favors, or other verbal or physical contact of a sexual nature when such conduct creates an offensive, hostile, and intimidating working environment and prevents an individual from effectively performing the duties of their position. It also encompasses such conduct when it is made a term or condition of employment or compensation, either implicitly or explicitly and when an employment decision is based on an individual's acceptance or rejection of such conduct. It is important to note that sexual harassment crosses age and gender boundaries and cannot be stereotyped. Generally, two categories of sexual harassment exist. The first, "quid pro quo," may be defined as an exchange of sexual favors for improvement in your working conditions and/or compensation. The second category, "hostile, intimidating, offensive working environment," can be described as a situation in which unwelcome sexual advances, requests for sexual favors, or other verbal or physical contact of a sexual nature when such conduct creates an intimidating or offensive environment. Examples of a hostile, intimidating, and offensive working environment include, but are not limited to, pictures, cartoons, symbols, or apparatus found to be offensive, and which exist in the workspace of an employee. 21st Century Public Academy prohibits any employee from retaliating in any way against anyone who has raised any concern about sexual harassment or discrimination against another individual. 21st Century Public Academy will investigate any complaint of sexual harassment and will take appropriate disciplinary action if sexual harassment has been found within the workplace.

Unacceptable Activities

Generally speaking, it is expected that each employee will act in a mature and responsible way at all times. Any questions concerning any work or safety rule, or any of the unacceptable activities listed below, should be addressed to the principal for an explanation. Note that the following list of unacceptable activities does not include all types of conduct that can result in disciplinary action, up to and including termination.

Classification and Compensation

All positions within the school are classified based on duties and responsibilities. The classification of positions is fundamental to the system (note that the positions, rather than the capabilities of the employees filling the positions, are classified). A job class comprises a group of positions sufficiently

similar to each other in duties and responsibilities that the same requirements of ability, training or experience and the same salary range and title may be applied by all departments for hiring purposes.

All positions are classified as either regular full-time, part-time, or short term. They are also classified as either exempt or non-exempt. Certain policies and procedures in the handbook may apply differently to each classification.

Exempt employees: These include administrators, business managers, teachers, counselors, social workers, and others whose job duties exempt them from overtime pay provisions as provided by the Federal Fair Labor Standards Act (FLSA) and any applicable state laws.

Non-Exempt employees: By law, certain types of jobs entitle an employee to overtime pay for hours worked in excess of forty (40) hours per work week. These employees are classified as “non-exempt” meaning they are not exempt from (and should receive) overtime pay.

Full-Time Employees: An employee who works 40 hours per week is considered a full-time employee, eligible for all benefits described in the handbook at the State-mandated contribution rate.

Part-Time Employees: An employee who is regularly scheduled to work less than 40 hours per week. If you are working more than 20 hours per week but less than 40 hours per week, you are eligible for all employee benefits at the State-mandated contribution rate. If you are working more than 15 hours but less than 20 hours per week, you may be eligible for some of the employee benefits described in the handbook but are automatically eligible for the basic life insurance coverage provided by 21st Century Public Academy.

Employee Background Check

21st Century Public Academy shall require background checks, based upon fingerprint identification, of all prospective employees.

Background check clearance of volunteers who may have supervised access to students shall be valid for two years at which time the volunteer shall submit to and clear a new background check and renewed every 2 years.

Additionally, employees are required to self-report, to a designated administrator any known arrest, charge and/or conviction of criminal offense within 5 days of conviction.

Immigration Law Compliance

All offers of employment are contingent upon verification of the employee's right to work in the United States. The prospective employee will be asked to provide original documents verifying their right to work and as required by federal law, to sign Federal Form I-9, Employment Eligibility Verification Form. If at any time the employee cannot verify their right to work in the United States, 21st Century Public Academy may be obliged to terminate employment.

Religious Accommodations

Occasionally individuals have religious beliefs or practices that may conflict with their work schedule or responsibilities.

21st Century Public Academy will attempt to provide a reasonable accommodation for religious beliefs and

practices, if it does not impose an undue hardship for the school or does not interfere with the employee's ability to perform the essential functions of their position. Any request for accommodation for religious reasons should be submitted in writing directly to the Principal.

Health Examinations

21st Century Public Academy reserves the right to require an employee's participation in an examination to determine the employee's ability to perform his/her essential job functions with or without reasonable accommodations.

Employees are prohibited from requesting or accepting a gift or loan for themselves or another that tends to influence them or appear to influence them in the discharge of their duties as employees.

Progressive Discipline Process

The principal may use a number of tools to motivate, correct, and/or discipline employees, including, but not limited to warnings, suspensions, and termination, as determined to be appropriate in each individual circumstance. Under some circumstances, managers may follow the principles of progressive discipline. There may be other situations where the seriousness of the offense justifies the omission of one or more of the steps in this process. Likewise, there may be times when the school may decide to repeat a disciplinary step.

Administrative Leave Pending Possible Disciplinary Action

If an employee is suspected of violating the school's policies, procedures, or work rules, he/she may be placed on administrative leave with pay pending an investigation of the situation.

Employees need to stay aware of changes in procedures, policies, and general information, as well as to communicate, in an appropriate manner, ideas, suggestions, personal goals or problems as they affect working conditions. In addition to the exchanges of information and expressions of ideas and attitudes which occur daily, employees must be aware of 21st Century Public Academy methods of communication, including this Employee Policy Handbook, bulletin boards, discussions with administration, memoranda, staff meetings, newsletters, training sessions, and school email. Duty Day

With the exception of ancillary service personnel, the duty day for employees starts fifteen (15) minutes prior to students arriving at school and ends twenty (20) minutes after the release of students. The duty day shall be a continuous period of time and defined by the approved calendar. The duty day shall be defined as 8:00 a.m. to 4:00 p.m.

1. The principal shall have the authority to permit divergence by individual employees from the duty day by mutual agreement. This divergence can apply to time on registration days for employees to register their own children if such divergence will not hinder registration at the employee's worksite.
2. Lengthening of the duty day shall not exceed two (2) hours for any individual employee in any twenty (20) day period. This lengthening shall normally occur after a minimum of forty-eight (48) hours notice, excluding non-teaching days, prior to the additional duty time.
3. 21st Century Public Academy may utilize an additional forty-eight (48) hours annually for collaboratively planned staff development activities.
4. Attendance at activities outside of the regular school day is normally the voluntary professional responsibility of employees. However, as part of that responsibility, employees will be required to attend registration, Ice Cream Social, Fall Festival, Spring Fling and Department Annual Events. Employees unable to attend shall give reasonable notice of their intended absence to the principal and arrangements to compensate for the time missed.

5. Employees shall not normally be required to notify the principal of their arrival or departure from the school unless they are late or leaving early. Employees desiring to leave the school area during the duty day may do so with prior notification and approval of the principal and must sign out when departing and in when returning. Leave time will be accumulated in hourly increments.
6. The responsibility of the employee to be available for conferences with parents is recognized as an employee's professional responsibility. The teacher is responsible for arranging the conferences.

Professional Development

1. 21st Century Public Academy recognizes that they have a basic responsibility to provide opportunities for the development of those entering the teaching profession and the continual development of the staff.
2. 21st Century Public Academy may make use of a regular school day for the purpose of in-service programs/training without the students in attendance.
3. In-service days so identified by the 21st Century Public Academy that have the effect of extending the annual calendar as approved by the State Department of Education may be compensated for at no less than the rate paid for degreed substitutes. Participation for such days shall be voluntary.

In-Service

Absences on in-service days must be approved by the principal with 3 days prior notice. Absences will be charged as personal time off (PTO). If no personal leave is available, the absence(s) will be charged as leave without pay.

Alternative Schedules

1. Schools may schedule minimum days for staff development, which is designed collaboratively by site administration and staff, planning, and/or conducting parent-teacher conferences. Minimum days shall be at least one-half (1/2) of the school's regular day plus the lunch period for students. Teaching time will not be made up provided that schools are in compliance with instructional time as defined by the State Department of Education. These may be scheduled by the school at least four (4) minimum days each year.
2. An abbreviated day is defined as a day when schools cannot be opened for the full regular schedule due to extreme cold, severe snow or other emergency.

Severe Weather and Emergency Conditions

In the event of severe weather conditions or other emergencies, the school may decide to close for the remainder of the day. Regular employees who are sent home early will not lose pay because of early dismissal for this reason. *Abbreviated Day Schedule* is a shortened school or workday that begins two *hours later* than the regular schedule but ends at the regular time. The most common use of the abbreviated day schedule occurs when severe weather causes street conditions that would endanger the safety of students and employees on their way to school. An abbreviated day schedule is announced on the local news media, generally by 6:30 a.m. On mornings when weather conditions are severe, employees should listen to the radio or watch television for announcements concerning the school schedule. Following the announcement of an abbreviated schedule, weather conditions may worsen to the point that it is necessary to close the school. This announcement will be made to the local media at approximately 9:00 a.m.

Teacher Absence/Substitute

21st Century Public Academy shall make every effort to provide a certified substitute teacher when necessary, during the absence of a teacher. Whenever a teacher is going to be absent, regardless of whether a substitute teacher is required, the teacher is required to notify the office manager. Such call should be made before 6:30 a.m. on the day of the absence. When absent, teachers shall provide lesson plans, instruction, and classroom management information for substitute teachers. Substitutes shall be

responsible for carrying out the lesson plans and instruction provided by the absent teacher and shall exercise proper classroom management. **Note:** *Information on the types of leaves offered and their qualification criteria are included in the "Leaves" section of this Employee Policy Handbook.*

Preparation Time

All employees on the teachers' salary schedule shall have a minimum of 200 minutes for preparation and planning within the duty week. Additional preparation time free from specific duty assignments that is not part of this policy shall be mutually agreed upon by the teacher(s) and the principal through a collaborative process. Every effort shall be made to encourage coordination of preparation time for teachers involved in teaming, integration, or inclusion programs.

FUNDRAISING

No member of the staff may engage in any sales promotion or selling on the school premises unless such promotion or sale has been approved in advance by the principal and written notification must be supplied to the staff. Fundraising activities shall not interrupt or interfere with the instructional program unless agreed to by the principal and faculty. Information regarding proceeds from fund-raising activities, planned expenditures and/or the availability of funds for staff use shall be made available to staff members upon request.

STUDENT DISCIPLINE

1. The **Superintendent**/Principal shall provide reasonable support and assistance to teachers as described in the Parent/Student Handbook so they can maintain control and discipline while engaged in their duties and responsibilities. It is essential for the school staff to establish means for obtaining the cooperation of parents of students involved in discipline problems.
2. A positive disciplinary program shall be continued throughout the school. Each teacher shall be given a copy of the school's disciplinary policy as developed and/or modified by the Discipline Committee.
3. The **Superintendent**/Principal has the primary responsibility for administering the school's discipline policy. In accordance with the school's discipline policy, the teacher is responsible for maintaining a good social environment among those students under the teacher's responsibility at any given time and for sharing with the other staff members the responsibility for school-wide behavior.
4. The teacher shall receive assistance from the **Superintendent**/Principal when a disciplinary problem is beyond the control of the teacher or when the teacher believes it is necessary.
5. The teacher may temporarily dismiss a student from class to the **Superintendent**/Principal when the student's behavior is disruptive to the point of impeding learning by the other students and after efforts have been made to correct the problem in accordance with the school's disciplinary practices.
6.
 - a. The teacher shall furnish to the **Superintendent**/Principal in writing full details of the incident including the efforts that have been made to correct the problem and whether or not the student may be returned to class prior to a conference between the teacher and the **Superintendent**/Principal.
 - b. Before the **Superintendent**/Principal returns the student to the classroom, the principal shall inform the teacher of the corrective measures taken.
 - c. In cases of extreme or chronic student disruption to a classroom, the teacher may call a case conference with the **Superintendent**/Principal, parents, and others, as necessary, for the purposes of discussing the problem and determining and initiating corrective measures. If requested, the student will not be returned to the classroom until such corrective measures have been initiated or unless the due process rights of the student would be violated.
7. Whenever it appears that a student needs professional attention beyond the scope of the individual school, the teacher shall inform the **Superintendent**/Principal in writing so that reasonable steps can be taken.
8. A teacher may use reasonable force to repel a personal assault or one upon any other person. Any case of assault shall be promptly reported to the **Superintendent**/Principal and by the **Superintendent**/Principal. The school shall provide the necessary support to a teacher who is subjected to or charged with an assault during the course of one's duties, providing the teacher was acting in a

reasonable manner and the actions were justifiable under the law, the Code of Ethics of the education profession, the terms and provisions of this policy, and regulations of the 21st Century Public Academy.

9. Corporal punishment, which is defined as any disciplinary action taken by school personnel with the intention of producing physical pain, shall not be used as a disciplinary measure at 21st Century Public Academy. Disciplinary consequences of unacceptable pupil behavior will be aimed toward assisting students in the development of constructive personal and social behavior. Consistent with the Code of Ethics of the education profession, school staff members will "deal justly and considerately with each student."
10. Whenever possible, an officer shall initiate a complaint arising from criminal acts occurring on school property. It shall be the responsibility of any teacher witnessing such acts to provide all information to the **Superintendent**/Principal.
11. A teacher shall be informed of any complaint to the principal by a parent concerning the disciplinary action taken by the teacher regarding a child.

Incident Reports/Personal Security

1. The school shall establish procedures for reporting student accidents on the school premises or at school-related events in which an employee is in any way involved. All parties shall receive a copy of the report if requested.
2. If an incident involves damage or loss to an employee's property, intentional or unintentional, an employee's request for notification of law enforcement authorities shall be honored.
3. Whenever an employee is involved in activities being conducted beyond normal hours or duty day, a system of security shall be available to promote safe conditions for all concerned. Employees shall be provided information needed to use the alarm system.

ACADEMIC ISSUES

1. Without minimizing the importance of generally accepted issues, in an atmosphere free from bias and prejudice, the school agrees to foster dispassionate, unprejudiced, scientific studies of academic issues.
2. The teacher shall serve as an impartial moderator and shall not attempt either directly or indirectly to limit or control the opinion of one's student on the academic issues. It is the intent of this policy that the teacher shall foster the study of such issues rather than teach particular viewpoints in regard to them.
3. Freedom to teach is essential to the accomplishment of the school's goals. Therefore, teachers have the right and responsibility to exercise their professional judgment, within the limits of the above guidelines, in initiating and actively pursuing consideration of academic issues.
4. Teachers must inform the front office of guest speakers prior to these speakers appearing in their classrooms as well as checking in with the office at the time of their visit.
5. A method of involvement of teachers shall be provided at the school when complaints are received on issues that fall within Article 8,F. A copy of recommendations made at the school level shall be provided to the Council.

Report to Parents

Teachers are responsible for evaluating student progress and interpreting grades or reports given. If a student is not assigned to a teacher, a professional staff member shall be responsible for the grade. A school system of grading and reporting shall be established using progress report forms which are part of this policy. Parent conferences and issuing of report cards will not occur until after at least one workweek (5 workdays) after the reporting period has ended.

PUPIL TRANSPORTATION

Employees shall not be required to transport pupils to activities which take place away from the school building. Employees may do so voluntarily, however, with the advance approval of the parents. The employee's insurance is primary when transporting students.

WAGE AND SALARY POLICIES

Compensation Philosophy

The goal of the 21st Century Public Academy compensation program is to attract qualified applicants and encourage well-performing employees to stay at the school. With this in mind, the compensation program is built to balance both employee and school needs. The school will prioritize its expenditure of resources to achieve a competitive compensation position in public education in the local area market. As a long-term commitment, the school shall work toward achieving a competitive position in the regional and national market. The school will work toward the implementation of compensation programs that provide individual employees the opportunity to be rewarded for aspects of their work such as level of responsibilities, experience, and quality of performance. 21st Century Public Academy applies the same principles of equity to all employees, regardless of organizational level, race, color, citizenship status, national origin, ancestry, gender, sexual orientation, age, religion, creed, physical or mental disability, marital status, veteran status, political affiliation, or any other factor protected by law.

Basis for Determining Pay

The 21st Century Public Academy Governance Council adopts a salary schedule each year that is based upon education and experience and complies with current legislative policies.

Paycheck Schedule

The payroll period is designated as bi-monthly. The first pay period begins at 12:00 a.m. on the 1st day of each month and ends at 11:59 p.m. on the 15th day of each month. The second pay period begins at 12:00 a.m. on the 16th day of each month and ends at 11:59 p.m. on the last day of each month. Each paycheck reflects compensation for that pay period, less required deductions. If an employee is hired after a payroll deadline, his/her first paycheck will be delayed until the next payday after the employee's start date. Subsequent paychecks are issued bi-monthly or 24 times per year for full-year employees. If an employee does not receive a paycheck or believes that any amount on the check is in error, they should notify the Payroll administrator immediately.

Salary Schedule

The 21st Century Public Academy Governance Council adopts a salary schedule based upon the school's annual budget. All licensed employees' salaries will be based upon the New Mexico Public Education Department's mandated three-tier licensure and salary schedule.

Salary Increases

All salary increases will be based upon the New Mexico Public Education Department's mandated three-tier licensure and salary schedule and the individual's qualifications.

Direct Payroll Deposit

Direct payroll deposit is the automatic deposit of pay directly into an employee's account through a financial institution. Employees must contact the Payroll administrator for details and the necessary authorization forms for direct deposit. 21st Century Public Academy all employees must use this benefit.

Mandatory Deductions from Paycheck

21st Century Public Academy is required by law to make certain deductions from each employee's paycheck. Among these are federal, state, and local income taxes and other contributions required by law such as Social Security and New Mexico retirement. These deductions will be itemized on the check stub. The amount of the deductions will depend on earnings and on the information furnished on the employee's

W-4 form regarding the number of exemptions claimed. If an employee wishes to modify this number, he/she must request a new W-4 form from the payroll administrator. Only the employee may modify the W-4 form. *Verbal or written requests are not sufficient to modify withholding allowances.* 21st Century Public Academy advises all employees to check their pay stub to ensure that it reflects the proper number of withholdings. The W-2 form received by employees annually reflects the amount of earnings deducted for these purposes. Any other mandatory deductions, such as court-ordered garnishments, will be explained to the employee whenever the school is ordered to make such deductions.

Error in Pay

Every effort is made to avoid errors in paychecks. If an employee believes an error has been made, he/she must notify the payroll administrator immediately. The payroll administrator will take the necessary steps to research the problem and to assure that any necessary correction is made promptly.

Overpayment of Earnings

Any employee who thinks they have been overpaid must contact the payroll administrator immediately. Any overpayment must be returned to the school in full upon request by the payroll administrator.

Records of Time Worked

By law, 21st Century Public Academy is required to keep accurate records of the time worked by nonexempt employees. This is done by written documentation provided by the employee. It is the employee's responsibility to keep accurate records of their time worked. No one may record hours worked on another's time record. Tampering with another's time record is cause for disciplinary action, up to and including possible termination, of both employees. Errors in recording of time must be reported to the payroll administrator immediately.

Wage Garnishments

If a court orders the school to take deductions from an employee's paycheck, the employee will be notified prior to the deduction.

Overtime Pay

If you are a non-exempt employee, you will be paid overtime in accordance with state and federal laws. Any overtime must be approved by the Superintendent principal **prior to performing the work**. Failure to obtain prior authorization may result in disciplinary action. For purposes of determining overtime pay, the work week is designated from 12:00 a.m. Monday until 11:59 p.m. Sunday.

Compensatory Time

21st Century Public Academy may award compensatory time off at the discretion of the principal to employees represented by the administrative calendar. Compensatory time must be approved by the **Superintendent**.

Employees will be reimbursed for authorized travel and per diem expenses in accordance with the New Mexico Travel Per Diem Rule, NMAC 2.24.2 as amended. You must obtain written approval **prior to incurring any anticipated reimbursable travel expenditures**. Failure to follow proper procedures **prior** to incurring any travel expenses may result in denial of your request for reimbursement.

BENEFITS

21st Century Public Academy is committed to sponsoring a comprehensive benefits program for all eligible

employees. All benefits are provided through The New Mexico Public School Insurance Authority (NMPSIA) which is required by law. We will comply with all rules and regulations regarding benefits as determined by NMPSIA. 21st Century Public Academy will periodically review the benefits program and may make modifications as appropriate. 21st Century Public Academy reserves the right to modify, add or delete the benefits it offers. It is 21st Century Public Academy's commitment to carefully review the benefit plans available and to select plans that provide the best coverage for employees. Refer to the literature provided by insurance companies for details on health/dental benefits.

Eligibility for Benefits

Full-time employees are eligible to receive all the benefits described in this Employee Handbook as soon as eligibility requirements are met for each particular benefit. Benefits coverage is available to employees and dependents as defined in the benefit summary plan descriptions. Part-time employees are eligible to receive those benefits specifically required by law, provided that they meet the minimum requirements set forth by law and in the benefit plan(s). Short-term employees may be eligible for benefits when first hired and may not be eligible in subsequent years, even if re-hired.

Group Insurance

21st Century Public Academy is dedicated to the health and well being of employees and their families. Accordingly, a comprehensive quality insurance program is available. An employee becomes eligible for coverage on the 1st day of the month following the date of hire. The following benefits are provided, as defined, and limited in the literature provided by insurance company:

- Medical Care Coverage
- Dental Care Coverage
- Vision Care Coverage
- Group Term Life Insurance
- Long Term Disability

Retirement Savings

Prior to enrolling in a supplementary retirement savings plan, an employee will obtain summary plan descriptions describing benefits in detail. Should participation be elected, the employee will pay all of the contributions in the amount the employee specifies. An automatic payroll deduction is available for the employee's convenience. Applicable employee contributions will be automatically deducted from paychecks.

Health, Dental and Life Insurance

As an employee of 21st Century Public Academy, eligible employees have the opportunity to enroll themselves and their eligible dependents for group insurance coverage. The coverage includes health, dental and life insurance. Costs are shared by 21st Century Public Academy and employees who elect to enroll. 21st Century Public Academy shall pay such percentage as required by applicable state law. Employees who enroll for coverage may elect to pay their health and dental premiums on a pre-tax basis through the Pre-tax Insurance Premium Plan (PIPP). Persons who retain coverage during a period when they do not receive a 21st Century Public Academy paycheck, or if a paycheck is not large enough to accommodate payroll deduction of premiums, must contact the Insurance & Benefits Office to arrange for payment. Although the Council intends to continue these plans indefinitely, the Council reserves the right to amend or terminate these plans at any time. This right of amendment/termination shall apply equally to all participants, including retirees. According to the federal Consolidated Omnibus Budget Reconciliation Act (COBRA) of 1985, in the event of termination of employment with 21st Century Public Academy or loss of eligibility to remain covered under our group health insurance program, the employee and eligible dependents may have the right to continued coverage under the health insurance program for a limited period of time at the employee's own expense. Consult the Insurance and Benefits Office for details.

Eligibility

1. Regular employees normally assigned to work 30 hours or more per week are eligible to enroll for group insurance coverage. Dependent coverage is available only if the employee enrolls for coverage.
2. The eligible employee's legal spouse, as recognized by New Mexico law, is eligible for coverage. A divorced spouse is eligible for coverage only when such coverage is required by court order. An employee does not have the authority to offer benefits to a divorced spouse. A divorced spouse does have the opportunity to continue benefits pursuant to the Consolidated Omnibus Budget Reconciliation Act (COBRA) of 1985.
3. An enrolled employee's dependent children are eligible for coverage until age 26.
4. Dependent children include the employee's biological children, stepchildren residing with the employee (non-resident stepchildren may be eligible if coverage is required by court order), adopted children, and children for whom the employee is legal guardian.

Eligibility for group insurance benefits commences on the first day of the month coincident with or next following date of hire. (Date of hire is the first day of regular employment at 30 or more hours per week for which the employee is compensated.)

Enrollment

1. The employee is responsible for timely enrollment. Enrollment must be complete within 30 calendar days from the eligibility date. All required enrollment application forms and supporting documentation must be completed and received in the Insurance and Benefits Office within the 30 calendar-day period.

898693728. All newly acquired dependents, including newborn children and spouses, must be enrolled through the Insurance and Benefits Office within 30 calendar days of becoming eligible. Enrollment is not automatic for any newly acquired dependent. Please contact Insurance and Benefits Office within 30 days of a dependent's initial coverage eligibility date.

898693729. Each new eligible employee receives an insurance enrollment packet containing instructions, a description of the plans available and enrollment applications. The employee must complete and return these forms so that they are received in the Insurance and Benefits Office within the 30-calendar day period. To enroll eligible dependents, verification of dependent eligibility is required: a marriage certificate for a spouse and birth certificates for children. To enroll adopted children or children for who the employee is legal guardianship, a copy of the adoption papers or legal guardianship papers must be submitted at the time application for coverage is made. Without such documentation, an application is not considered to be complete. Failure to provide all supporting documentation during the initial eligibility period will prevent enrollment of the affected dependent until the next eligibility period.

898693730. Coverage is effective on the first day of the month coincident with or next following receipt of the completed applications in the Insurance and Benefits Office. For example: an employee hired on April 10 is eligible for coverage on May 1, provided the required applications are received in the Insurance and Benefits Office on or before May 1. If the completed applications are submitted after May 1, but before the end of the 30-calendar day enrollment period of May 31, coverage is effective on the first day of the month coincident with or next following receipt of the completed applications in the Insurance & Benefits Office. Applications received after May 31, will be refused, and the eligible employee may enroll only during an open enrollment period, or in the event of a family status change, such as the employee's marriage, divorce, birth or adoption of a child, death of spouse or dependent, or change in spouse's employment (terminated, laid off, start of a new job).

898693731. Eligible employees who elect not to enroll during the initial 30-calendar day enrollment period may enroll only during an open enrollment, or in the event of a family status change, such as the employee's marriage, divorce, birth of a child or adoption of a child, death of spouse or dependent or change in spouse's employment (terminated, laid of, start of a new job).

898693732. Newly acquired dependents that are not enrolled within the initial 30-calendar day eligibility period may be added to the employee's medical and dental coverage during the next switch enrollment period.

898693733. Coverage ends on the last day of the month in which an enrolled employee and/or dependent ceases to work or ceases payment of insurance premiums.

898693734. An eligible employee who has coverage under a spouse's group insurance plan may waive 21st Century Public Academy coverage. If the spouse loses coverage involuntarily (e.g., through

a lay-off or carrier change), the 21st Century Public Academy employee may apply for 21st Century Public Academy coverage within 30 calendar days from the date coverage under the spouse's plan ended. A letter from the spouse's employer on the employer's letterhead is required and must specify which persons were covered, under which specific plans they were covered, and the date on which coverage ended. This letter and all required enrollment applications must be received in the Insurance and Benefits Office within the 30-calendar day period. Coverage is effective on the first day of the month coincident with or next following receipt of completed applications and supporting documentation.

If timely application is not made to the 21st Century Public Academy group insurance plans, the employee may enroll only during a subsequent open enrollment, or in the event of a family status change such as the employee's marriage, divorce, birth or adoption of a child, death of a spouse or dependent, or change in spouse's employment (terminated, laid off, start of a new job).

Disenrollment from Medical, Dental and Life Insurance

1. An enrolled employee may disenroll at the end of any month.
2. Dependent children are no longer eligible for coverage at the end of the month in which the dependent turns 26 years of age.
3. Divorced spouses are no longer eligible for coverage the end of the month the divorce was finalized and filed. Final decree must be sent to the Benefits Office within 30 calendar days.
4. Employees are not authorized to offer extended coverage to ineligible dependents, including divorced spouses. All benefit charges incurred by ineligible dependents will be the responsibility of the employee.
5. Participants who cease to be eligible for coverage under the plans may be eligible for continuation coverage pursuant to the Consolidated Omnibus Budget Reconciliation Act (COBRA) of 1985. Conversion to an individual policy may also be available.

Disenrollment from PIPP (Pre-tax Insurance Premium Payment)

PIPP is governed by Section 125 of the Internal Revenue Code, which prohibits such disenrollments during a plan year, unless the employee incurs a specified qualifying change in family status. Before enrolling in another employer or government plan of benefits, please verify that you will be able to discontinue your 21st Century Public Academy coverage; otherwise, you may have to pay for two plans until the next switch enrollment.

Switch Enrollment

Each year, employees ALREADY ENROLLED for 21st Century Public Academy medical and/or dental coverage may change their coverage(s) to one of the other plans offered. Switch enrollment does not pertain to employees who are not already enrolled for 21st Century Public Academy.

1. Employees must register their switch enrollment elections at the Benefits Office during the specified period. Changes made during switch enrollment are effective at the beginning of the next plan year.
2. Eligible employees may also enroll/disenroll for PIPP participation during the switch enrollment period; elections are effective at the beginning of the next plan year.
3. Participating employees may add eligible dependents during switch enrollment. Please provide marriage or birth certificates.

Non-contributory Life Insurance

All regular full-time employees of 21st Century Public Academy, except temporary employees, are covered by Group Life Insurance, at no cost to the employee. This insurance is payable in the event of the employee's death, in accordance with the policy, while the employee is insured. The employee may change their beneficiary by submitting the appropriate documents to the Benefits Office.

Contributory Life Insurance

Additional life insurance for the employee and their dependents is also available to regular full-time

employees but excluding temporary employees. Please refer to the life insurance booklet. Beneficiary information is needed, and it is the responsibility of the employee to provide current information.

Retirement Savings B 403(b)

A voluntary tax-deferred retirement savings plan permitted under Internal Revenue Code Section 403(b) is available to all 21st Century Public Academy employees. 21st Century Public Academy does not endorse a provider or product and is not responsible for any investment gain or loss. Employees are responsible for making provider elections, seeking investment advice, and meeting regulatory requirements. All contributions are pre-tax and require a salary reduction agreement to be completed and returned to the Benefits Office by the 20th of a month, to be effective the first of the following month. (Note: 403(b) plans were formerly known as tax-sheltered annuities.)

Government Required Coverage

1. **Workers' Compensation:** All employees are entitled to Workers' Compensation benefits that provide income if work is missed due to an on-the-job injury. An on-the-job injury is defined as an accidental injury suffered in the course of work, or an illness that is directly related to performing assigned job duties. This job-injury insurance is paid for by 21st Century Public Academy. If an employee cannot work due to a job-related injury or illness, Workers' Compensation insurance pays medical bills and provides a portion of the employee's income until he/she can return to work. All injuries or illnesses arising out of employment must be reported to a supervisor immediately. Prompt reporting is the key to prompt benefits. Benefits for job related injuries or illnesses are automatic, but nothing can happen until the employer knows about the injury. Employees are encouraged to report every injury, no matter how slight. Workers' Compensation payments for lost wages aren't made for the first seven days of lost time due to an on-the-job illness or injury. Employees returning to work after being absent due to a work-related injury must report to their supervisor prior to beginning work and must bring a doctor's clearance for returning to work.

2. **Unemployment Compensation:** Depending upon the circumstances, employees may be eligible for Unemployment Compensation upon termination of employment with 21st Century Public Academy. Eligibility for Unemployment Compensation is determined by the Division of Workforce Solutions of the state Department of Labor. 21st Century Public Academy pays the entire cost of this insurance program. Unemployment compensation is designed to provide employees with temporary income when they are out of work. For a claim to be valid, an employee must have a minimum amount of earnings determined by The State and must be willing and able to work. The employee should apply for benefits through the local State Unemployment Office as soon as he/she becomes unemployed.

3. **New Mexico Retirement Plan:** 21st Century Public Academy has a retirement plan to provide eligible employees (those who have completed sufficient service) with a monthly pension benefit upon retirement. All employees who work more than 25% of the time (.25 FTE) are mandated by the New Mexico Educational Retirement Act to participate in the retirement plan. Participation in the plan begins on ***the first day of the month following the date of hire***. 21st Century Public Academy and the employee are required by State law to contribute to this retirement plan operated by the Education Retirement Board in Santa Fe. The details regarding 21st Century Public Academy and employee contributions, vesting, administration, and investments are provided in the Summary Plan Description, made available through the Education Retirement Board.

4. **Social Security:** In accordance with the applicable federal law, all employees are required to participate in and contribute to Social Security. 21st Century Public Academy also makes a mandatory matching contribution on behalf of employees. Contribution levels are established by law and are subject to change. Only those employees who waived participation in December of 1962 are exempt from the participation requirement. To obtain information about Social Security and related programs, you may contact the local Social Security office.

are conducted periodically. New employees may be reviewed near the end of their Introductory Period. 21st Century will follow and comply with the current teacher evaluation system and guidelines provided by the New Mexico Public Education Department.

Compensation Reviews

In addition to individual job performance reviews, 21st Century Public Academy conducts a review of job descriptions to ensure that 21st Century Public Academy is fully aware of any changes in the duties and responsibilities of each position, and that such changes are recognized and adequately compensated. Periodic reviews of market rates of pay are also conducted to insure 21st Century Public Academy's pay scales are competitive.
