

Principal's Report

1. Procurement / IT

- a. Security keyfobs for the front door, which have been on backorder since August, have finally arrived. Harmonix is adding them to our security system and assigning them to specific staff accounts, after which we will distribute them to the remaining staff who need them.

2. OSIs

- a. Mission Specific Goal: 75% of students, enrolled on the 40th and 120th day, will complete at least 18 OSIs and earn a minimum of a 3 on the RACED writing OSI Assignment Rubric on the final assignment for the year.

Grade Level	Number of OSIs	Average 3+ RACED %	Most Recent 3+ RACED %
1st	5	100%	100%
2nd	5	100%	100%
3rd	5	97%	85%
4th	4	87.4%	88%
5th	5	71%	85%
6th	8	72%	82%
7th	12	83%	95%
8th	13	93.5%	99%

3. Equity Council

- a. The Equity Council met last Wednesday to review our school's Yazzie/Martiness Readiness Assessment from 2020. We are due for a resubmission of this assessment, which will be the Council's goal for this school year. The Readiness Assessment takes the form of a survey wherein we evaluate the school on its efforts to address the educational needs of students in the following demographic areas: Students with Disabilities, Native American Students, ELL Students, and Highly Mobile Students. These are the demographics that were identified in the Yazzie/Martinez lawsuit as being underserved by New Mexico schools.

4. Testing

1st and 2nd graders do not take MAPs, instead they take the ISIP which presents results in "leveled groups" rather than as a singular score. The goal is to move students upward through the levels.

5. Events

- a. Open House for prospective new families will take place on Saturday, January 21st from 11:00-1:00. Administration, PTA, Athletics, Nurse, and Department Chairs will be on campus to answer questions and give tours of the facility.

6. Traffic Flow

- a. Due to construction along Cutler we have had to redesign our pickup and dropoff procedures, starting last week. Cutler is down to a single lane in both directions with no curbside, so we now direct parents to turn onto Dragon Lane and drop off

students in the roundabout next to the gym. Pickup takes place in the same location. We had some issues with the cars getting backed up on Cutler at the end of the day due to the short light cycle at Washington, but the city has adjusted the times so it flows much more smoothly. Students have learned the new procedure very quickly, and things are now flowing in a similar amount of time as they did before the construction began.
