

21st Century Public Academy
COO Report
Governance Council Meeting
March 21, 2024

1. HVAC Project Update - Stilling balancing HVAC units and installing the smoke detectors on the HVAC units.
2. Nutritional Programs
 - a. We are applying for the following programs next school year that will be new to the school:
 - i. Fresh Fruit and Vegetables
 - ii. Snack Program

These programs will be in addition to having breakfast and lunch next year. All food programs will be free for students next year like they were this school year.
3. Kitchen Infrastructure Grant
 - a. We are applying for funds to pay for upgrades and equipment for the cafeteria
4. Governance Council Members - Training for FY 2023-2024
 - a. Finance Training with the Vigil Group - April 13 1pm-4pm via zoom. The link has been sent out. This will qualify for the 3 hours of GC training for Finance.
 - b. Please start your training on canvas, let me know if you have questions or need help accessing it.
 - c. New Members have additional training that is called "New Member Course"
5. PTA Updates
 - a. PTA met on March 12. They have formed a Spring Fling committee that is meeting on Mondays starting March 25 at 5:30pm to plan out the event. They have not scheduled an April meeting date.
