

Principal's Report

1. OSIs

- a. We have been asked by the charter school site visit team to modify the way we report our progress toward our Mission Specific Goal, to include the results from each individual student for each OSI. It is a bit more work for our teachers, but we have trained them on the new method and are starting to get that data back for our first few OSIs of the current school year.
- b. Mission Specific Goal: *75% of students, enrolled on the 40th and 120th day, will complete at least 18 OSIs and earn a minimum of a 3 on the RACED writing OSI Assignment Rubric on the final assignment for the year.*

Grade Level	Number of OSIs Completed	Most Recent 3+ RACED %
1st	0	N/A
2nd	0	N/A
3rd	0	N/A
4th	0	N/A
5th	1	N/A
6th	3	14.29%
7th	4	88.37%
8th	2	21.13%

2. Testing

- a. We have completed our Short Cycle assessment for the Fall, and teachers prepared their data presentations this week, to be shared with all staff next Wednesday. Once we complete our Winter assessment I will present our progress toward our annual growth goals.
- b. Ms. Elliott and I attended the state AREA conference last week, which was held in person for the first time since COVID. This is the conference that covers training for all required assessments. There have only been a few changes to our summative assessment, and we are on track to remain in compliance as always.

3. School Advisory Committee

- a. The first SAC meeting of the year will take place on Tuesday, 9/24, at 5:30.
