### 3. Testing

- a. All students took the beginning of year short-cycle assessment starting on Monday, with NWEA MAPs Growth for 3rd-8th grades, and Istation Indicators of Progress for 1st-2nd grades. Teachers will meet on Friday to put together core-class schedules in response to assessment results, which will go into place starting next Monday

### 4. School Advisory Committee

- a. We will need to recruit new family member to join the SAC for the upcoming year as we have lost many members who have moved on with their students as they left us to high school. Our first meeting of the year is yet to be scheduled.
