3. Testing

- a. We have completed our Short Cycle assessment for the Fall, and teachers presented their data to staff last week. Once we complete our Winter assessment I will present our progress toward our annual growth goals.
- b. Ms. Elliott and I attended the state AREA conference last week. This is the conference that covers training for all required assessments. The only major changes this year to our usual testing is the 1st and 2nd graders short-cycle assessment, which is run by a new company called Amira, and includes a vocal component to the Reading test.
